

A hand-drawn floor plan of a room. On the left is a long, narrow rectangular area, possibly a hallway or entrance, with a width of 5'10" and a length of 13'50". To the right of this is a larger rectangular area. Within this larger area, there is a smaller rectangle labeled "Skyvedører 3200 x 900". Above this rectangle, there is a label "Kugjardiner" with a dimension of 2'00" indicated. Below "Kugjardiner", there is another dimension of 2'00" indicated. The room is divided into sections by dashed lines, suggesting a grid or partitioning system.

Technical drawing of a building section showing a sloped roof and internal structure. Dimensions are indicated: 850, 900, and 467.
